Model A Ford Youth Scholarship

Congratulations....We are proud to announce the recipients of this year's Model A Ford Youth Scholarship to the following students: **Piper Binkley**, MAFC of Colorado, the Mile High Chapter; **Cameron Cox**, Capital A's; **Hunter Leary**, Skyline Chapter of MAFCA; **Abe Mitchell**, Beaver Chapter; **Cassidi Revere,** Illinois Region, MARC; **John Rozny**, Illinois Region, MARC; **David Sheehan**, Connecticut Valley Working A's; **Nicolo Spinelli**, North Jersey Regional A's; and **Joshua Warren**, Blue Ridge Model A's.

These scholarships would not be possible without the generosity of so many MAFCA and MARC clubs, as well as individual contributions. This year we were especially fortunate to be the beneficiary of a very generous Model A enthusiast, which allowed us to grant a few more scholarships to deserving students. We appreciate all the support and generosity that is given us. We would be remiss if we did not mention the backing we have received from the **Victoria Association**, who is responsible for establishing the Model A Ford Youth Scholarship Fund, with the guidance of our founding father, **Charlie Viosca**.

Each winner receives $1,000 for each year they attend college provided they maintain their GPA. While it may not seem like much given the cost of education today, any amount towards tuition or books has been greatly appreciated. Many years we have sadly had to turn away qualified students due to lack of funds.

Please consider donating to the future of our hobby. Donations can be made and sent to:
