### **Youth Road Rally**

*by Stephanie Grundman*

Unfortunately, the Great Race is not offering the X-Cup Division this year as part of the Great Race.

However, the *Vintage Car Rally* has agreed to offer a division, called the *Tin Cup Division*, for high school / youth groups / vo-tech teams, with adult team captains. The rally is a cloverleaf style, time-speed-distance rally for cars manufactured in 1948 and prior. This year the:

### **National "Old Car" rally event will be held in Branson, Missouri, JUNE 11 - 15, 2007.**

Each day the contestants will rally to a select host city for a *Lunch with the Cars* special event. The entry fee for the Tin Cup Division is \$500. Each class, including the Tin Cup Division has their own purse.

This is a great opportunity for teams to continue to enjoy navigation and driving in a rally event. This event will also offer an opportunity for more teams to compete as the expenses are now more affordable.

Check out there website at <http://www.vintagecarrally.com> and watch for information from MAFCA on grants for qualifying teams.

I recently read in the Chapter News from the Auburn A's that a local high school's Auto Shop students have acquired a flatbed AA truck. Do I see another Tin Cup team?
