

# 2010 Candidates for Election to the Board of Directors of the Model A Ford Club of America Term of Office 2011-2012

## **Dan Foulk**

*Bakersfield, California*

My wife Shelby and I bought our first Model A 14 years ago. Since then, we have toured extensively, having put many miles on "Hank". I have had several positions with our local club, including president for two years.

Currently, I am the newsletter editor and chairman of the 2012 CCRG Jamboree. My life's work was in Information Technology Consulting. I have operated my entire business life with honesty, integrity, and dedication to the job. With my mix of business ethics, and a strong interest in Model A'ing, I feel I would be an excellent addition to the MAFCA board.

## **Vaughn Cille Weidner**

*Yukon, Oklahoma*

I had the honor of serving on the MAFCA Board of Directors for four years from 2002 thru 2005, as Advertising Director one year and Secretary for three years. My many years of business experience gave me the knowledge to assist the Board in business and records keeping and contributed to the many important

decisions that were made at each meeting. I have been an member of the Sooner Model A Club in Oklahoma City, OK since 1991 and have served many offices on their Board. I would consider it an honor to be elected to serve on the MAFCA Board again in 2011-2012.

## **Garth Shreading**

*Sour Lake, Texas*

For the past two years it has been my pleasure to serve MAFCA as Chapter Coordinator and President, during which I continue to expand my belief that the local chapter is the heart and soul of MAFCA. Having served my chapters as president, vice president, treasurer, newsletter editor and tour chairman as well as chair of

the 2005 CCRG Jamboree and on the 2008 Gulf Coast Steering Committee only strengthens this belief. Believing MAFCA's foundations resides in the local chapters and youth programs, my focus will be strengthening both. I would appreciate the opportunity to continue serving you.

## **Doug Linden**

*Southborough, Massachusetts*

Doug joined MAFCA in 1971 and has enjoyed the Model A hobby ever since. He is active in the Minuteman Chapter, has held all officer positions and is on the Board of Directors and serves as newsletter editor. Doug enjoys attending MAFCA National Meets. He served as Co-Chairman of the 1988 MAFCA National

Meet and Co-Chair of the 2001 New England Model A Meet. Doug retired from an international equipment manufacture and held management positions within engineering, research and marketing. Doug is a firm believer of giving back to the hobby and looks forward to serving on the MAFCA Board.

## **Mark Schwing**

*Yorba Linda, California*

U.S. Naval Academy graduate. Retired Navy Commander. Currently restoring 1931 S/W Town Sedan and Deluxe Roadster. He regularly attends National Meets and participated as a fine point judge during the last two years. In fourth year as president of

the Orange County Chapter. Chaired the OCMAFC annual Pancake Breakfast for the past five years, the largest annual Model A gathering in southern California. Named OCMAFC member of the year for 2010. Vice President Model A Youth Restoration Award. Fourteen year Yorba Linda city council member including three years as Mayor. Forty-one year small business owner. Vice President of the Hobby Manufacturers Association.

## **Dick Przywitowski**

*Lafayette, Colorado*

I have been fortunate to be involved with the Model A hobby for the past 20 years. Having served on the MAFCA Board for the past two years I still feel there is much more to accomplish. My recent involvements in the planning of the Pony Express 150 MAFCA National Tour and the Million Mile Challenge have brought me

closer to the membership we serve. Family involvement is the key element to success in fostering new and active members. My goal is to create more enthusiasm and participation in our great hobby, the Model A.

## **Thomas M Rut**

*Stockton, California*

My wife Pat and I enjoy the hobby and the people we have met at NCRG Roundups, local meets and national conventions. Served as president of the Delta A's and am a Senior Car Judge. Acquired strong leadership, management, organizational, business and professional

skills through extensive experience in private industry, government service and volunteerism. As State Bridge Maintenance Engineer managing a staff of 200 was responsible for inspection and maintenance of all state highway bridges. Participated on the national level through committees setting standards and managing research. Was VP of two consulting firms and operated a successful consulting business.
