

Youth Driving Award

1. Purpose: The purpose of the Chapter Youth Driving Award is to encourage interest and participation in the Model A hobby among the youth of our organization. This shall be done by the chapter's administration with a driving test and walk around test.
2. Requirements: Candidates for the Chapter Youth Driving Award must be between the ages of 15 through 19. The youth must be part of a MAFCA family membership. A valid driver's license in the participant's home state or country is a necessity.
3. Selection Criteria: A driving test shall be set up and staffed by appropriately designated chapter personnel. This test should take into consideration good safety practices and include, but not limited to, starting, stopping maneuvering, gear shifting and any other items pertaining to the safe and skillful driving of the Model A Ford.

A written examination based partially on the Model A Ford owner's manual may be included at the discretion of the chapter. The examination should consist of clear and concise questions relating to the operation, maintenance and general knowledge of the Model A Ford.

4. Presentation: The Chapter Youth Driving Award shall be presented at a local chapter event. A Patch will be available from the MAFCA office for purchase.
