

## **AVIS Rental Program**

MAFCA has established a discount program for our members with Avis Car Rental. Any member wishing to rent a car should use the following Avis World Discount number when making a reservation: **Z704643**

If you make a reservation online at [www.avis.com](http://www.avis.com), enter this number in the spot asking for the AWD. If you make the reservation by phone or in person, give the agent the number when making the reservation.

This rate will usually be one of the best you can find for a car rental, but as always, you should compare rates.
