

2009 Candidates for Election to the Board of Directors of the Model A Ford Club of America

Term of Office 2010-2011

Chuck Christensen
Sunnyvale, California

I served on the Board as Technical Director from 2005 through 2008. I have been a MAFCA member for 40 years and have held most officer posts in our local chapter over the years. My wife and I have driven our Model A to many regional, as well as, national meets. I would welcome the chance to serve as a Director again.

Willie Sanders
Nursery, Texas

During the last 10 years I have grown genuinely fond of Model A people, friends, and cars. In addition to MAFCA, I am a member of Victoria A's, Houston, Piney Wood and Dallas clubs. I served as President four years for Victoria. I am committed to Model A's and I'm interested in the enhancement of youth programs. As a former employee of DuPont and a small business owner, I have extensive operations and management experience and would like to contribute my experience and enthusiasm toward the continued restoration, preservation and enjoyment of the Model A on a national level.

Walt Fuller
Mobile, Alabama

Walt has owned and restored Model A Fords since retiring from the military service. He is actively involved in the Dallas and Gulf Coast Model A Ford clubs and attends national MAFCA meetings. Having held numerous club positions, he and Martha are newsletter coeditors for the GCMAC. As a retired military officer in the corporate world, Walt has extensive operations and management experience with contract negotiations/administration, budget accountability, staff management, program compliance and financial concepts. He is dedicated to the hobby and would enjoy and appreciate the challenge of serving MAFCA members on the National Board of Directors.

Jim Morris

I joined MAFCA in 1977 and am President of the Sullivan Trail A's Chapter, a past participant in MAFCA National meets, and a current MAFCA Board member responsible for Publications/Public Relations. I've written five articles for *The Restorer*: Triplex Safety Glass: Crashes, A Lawsuit, Innovation earned MAFCA's 2005 President's Literary Award, Henrietta Out of Hiding earned the same award for 2008. I actively promote youth programs, excel at organizing/creative problem solving, and want all publications, especially *The Restorer* magazine, to remain first-class. With your vote I will be honored to continue serving MAFCA.

Stephanie Grundman
Waukesha, Wisconsin

MAFCA is an organization near and dear to my heart. I have been an active member of local chapters for over 30 years serving as secretary, newsletter editor, running numerous local events as well as, working on the executive committee for two MAFCA Membership Meetings. I am currently the editor of the MAFFI newsletter, "A" *Preserver*. I have had the honor of serving on the MAFCA Board of Directors for four years as Chapter Coordinator and especially enjoyed working with the youth, MAFCA's future. I look forward to having the privilege to again serve this wonderful organization.
