

DID YOU KNOW - MONTHLY UPDATES?

May 26 - Did you know that MAFCA offers two different monthly updates? All for free!

First is ***The Flying Quail*** where each month, we work to keep you informed of the latest happenings in the Model A world. Included are technical thoughts and ideas, fun games, the latest information on coming events and the opinions and ideas from MAFCA's leaders. We work to keep you up on national and regional events and even post events from local chapters that others might want to participate in. ***The Flying Quail*** is free to all interested people. To join, send an email to **FlyingQuail@yahoo.com** Be sure to enter in the subject line "**sign me up for Flying Quail**"...

For MAFCA chapters newsletter editors, we understand how difficult it is to find new and creative information month after month. That is why MAFCA created ***On The Road With...*** which is specifically designed for newsletter editors to make your job easier and more enjoyable. Each issue brings helpful technical information, era fashions features, thoughts and ideas from MAFCA leaders as well as interesting photos and even some challenging Model A related-games. All of this is for you to use in your chapter's newsletter. To sign up, email us at **MAFCA_OnTheRoad@yahoo.com** Please enter in the subject line, "**Sign Me Up for On The Road**" and in the body of the email, be sure to list your name and your chapter's name.

If you have an interesting Model A-related photo, article, event or other tidbit, email it to us at **ModelAGarth@yahoo.com** We're always looking for information of Model A interest.
