

Exciting fun for you in Kerrville, Texas!

Join us June 12-17 for our National Convention where you will find amazing events, seminars and more!

While attending the 2022 MAFCA National Convention in Kerrville, there will be many educational seminars to attend. From the die-hard Model A enthusiast to the folks interested in Era Fashion of the day, we will have something for you!

We'll start with the Fine Point Judging Committee conducting a very knowledgeable talk and demonstration on wood graining your Model A. Get ready to learn all about this age old process of turning metal into "wood".

For the techies, Terry Burtz will be conducting a technical session on his new five main Model A engine complete with a disassembled display

as well as one fully assembled and running! Techies will also enjoy an educational presentation from the folks at *Gas Tank Renu - USA* on how to fix your rusty gas tank.

Driving and touring in your Model A but still like to show it? Plan on attending the presentation on MAFCAs "Restorers Class". In consideration of today's modern roads with faster highway speeds, vehicles require improved performance, reliability and safety, this class of judging allows owners to operate their vehicles with original, era and aftermarket parts. Learn how to prepare your car for this new class of

judging by attending this informative session.

For those more interested in the Era Fashion side of the Model A hobby, we have two wonderful seminars for you! Our first seminar will be on daytime and evening era purses presented by Patti Jones. Patti will have a display of era purses that she will share in this very informative seminar. If time permits, bring a purse to share with the attendees. This is a fun way for everyone to learn about our Model A era fashions.

Laurie Elliot of Santa Clara Valley Chapter will present a seminar on her recent fashion article "A Little Ribbon

Goes a Long Way: Easy Women's Hat Decorations". She will demonstrate how to take a modern hat and create a Model A era hat by replicating the original embellishments found in MAFCAs Fashion Guidelines and Book of Fashions Facts.

If you're interested in competing in your beautiful ensemble, then Fashion Judging is for you! Fashion judging is your opportunity to wear your ensemble and be evaluated by a certified panel of MAFCA judges led by Chief Judge Patti Jones and Assistant Chief Judge Lynda Davis. *Categories include:* Original fashions, Reproduction fashions and Model A

Era Image fashions. Be sure to mark your registration form if you plan on being judged. In addition to Era Fashion seminars, there will also be a Fashion Luncheon and Awards.

We have an added activity for those who would just like to "model" your era outfit instead - it is featured as "For Love of Era Fashions" on the registration form. Check the box if you are interested in this chance to stroll the catwalk and share your vintage ensemble.

Do you have Model A Era fashions to sell? Sign up for a vendor table to sell your Model A Era fashions at the Fashion Boutique. Tables are limited

so sign up early. If you are interested in Era fashions this will be your opportunity to purchase Era fashions.

Registration forms are easily downloaded at >>>> tinyurl.com/Kerrville-Registration
