Garth Shreading
Sour Lake, Texas

Honored to have served both the Bakersfield (California) and Golden Triangle (Texas) chapters in a variety of positions including president (four years), newsletter editor, tour chairman, treasurer and chairman of the 2005 CCRG Jamboree.

Without a doubt, the highlight of Model A life has been the cars and the opportunity to meet the greatest people on earth. Having been a successful business owner, I learned strong organizational skills and the value of commitment to relationships. Believing MAFCA's foundation resides in local chapters and youth programs, my focus will center on strengthening both, along with the MAFCA organization as a whole.

Jill Sullins
Plano, Texas

I completed two years on the MAFCA board and re-running for 2009/10. There is more to be done – I want your vote! I was the Registrar/Acting Chair for the successful 3rd MARC/MAFCA World Model A Ford Meet, hosted by Dallas

Model A Ford Club. As President of Model A Ford Youth Scholarship Fund, Inc., I have raised \$122,000 for 35 children since our inception in 2002. I was Chairman for the 2003 MAFCA Annual Membership Meeting, also hosted by DMAFC, and have served on its board of directors. I will take on assignments and see them to successful completion.

Jerry E. Wilhelm
Indian River Shores, Florida

Jerry has been a MAFCA member for over 37 years, served on the National Board in several capacities including twice as National President and currently serves as Treasurer. Jerry was the Chief Judge for the Mansfield Meet. He is a

Master Judge, has restored six national award-winning Model A's and has been awarded a Life Membership. Jerry and his wife Gay enjoy touring in their 1929 Cabriolet. After many years in Ohio, Jerry and Gay are retired and live on a barrier island off the East coast of Florida. Jerry would like very much to continue serving MAFCA.

Carla Hibbard
Conover, Wisconsin

I am proud to have been nominated for a position on the MAFCA Board of directors by three past MAFCA presidents. Over the past 25 years, I have served on the boards of three chapters, the Southern California Region and the MAFCA Board of Directors. During those 25 years we have driven our Model A in excess of 100,000 miles in the United States and Australia. I believe the board of directors of MAFCA should represent and serve the membership. I, therefore, promise to remember during my tenure in office who elected me and will serve that electorate to the best of my ability.

Dick Przywitowski
Lafayette, Colorado

My wife Lois and I have been involved with the Model A's for over 15 years, serving as past President of our local chapter, and now on the Steering Committee for the High Country Tour 2009 Regional Meet. Being a car judge and fashion enthusiast, it is rewarding to see the care and interest taken in preserving our hobby. Family involvement is a key to success in fostering new and active members. I would work towards the continuance and enhancement of our hobby. My aim is to promote and educate regarding the car and the great era of our nation's history.

Brian Freestone
Vancouver, BC Canada

Brian has served the Lions Gate Model A club for four years as president, and chair for the 2010 MAFCA International Convention, hosted by the chapter, in Vancouver in 2010. Attained status of Senior MAFCA Car Judge at Dallas convention. Brian again looks forward to serving the membership bringing a wealth of professional leadership, enthusiasm and organizational abilities, coupled with hobby related experience, to the MAFCA board.
