

## New or Re-elected MAFCA Board Members 2014-2015

Since we had an equal number of candidates as vacancies on the Board, per our bylaws there was no need for an election. The following will be serving you on the Board in 2014-2015. Congratulations to these new Board members.

**Jerry Wilhelm** has been a MAFCA member for 40 years and served on the Board of Directors for twenty years filling in a variety of positions including President in 1989 and 1991; he has been Vice President, Advertising Director, Membership Director, Technical Director and Treasurer. Jerry is a life member of MAFCA and was Chief Judge at two National Conventions, Dallas in 1992 and Mansfield in 2006. Currently the Advertising Director, he has been reelected for two more years. Jerry lives in Lithia, Florida and is a retired business owner.

**Jill Sullins** has been on the Board of Directors for six years and was reelected for two more years. She has been Chapter Coordinator, Secretary, and Vice President. She comes from Plano, Texas and has been a key factor in organizing the National Tours along the Natchez Trace and Blue Ridge Parkway. Jill was registrar and Chairperson for the successful 3rd MARC/MAFCA World Model A Ford Meet in Dallas.

**Happy Begg** from Irmo, South Carolina drives her 1931 Roadster on a daily basis. She is active in two chapters, the Palmetto As and the Old 96 District. She won the chapter newsletter of the year award for her writing skills and served as the Chairperson for the 2012 MAFCA National Banquet. Before retiring, she worked many years for the West Bloomfield, Michigan Public School District and served five years on the Society of Automotive Engineers – Detroit Section Annual Meeting Committee. She possesses great organizational, fund raising, and planning skills along with talent in budget management.

**Jim Cannon** is joining the Board from Houston, Texas. A retired engineering manager, he has been working on Model A's since he was a kid of 14. A very active member of the Dallas Chapter he brings his organizational skills, public speaking ability and dedication to the hobby to the National Board. He is keenly interested in youth and promoting increased MAFCA

## Head For Hershey October 9-11, 2013 • Space RCH 10

Technical Director Chuck Christensen will present a seminar about water pumps rebuilding, operation and adjustment. He will have a cut-a-way model and samples of various pumps on the market.

The Eastern Division AACA National Fall Meet is considered one of the largest antique automotive shows and flea markets in the United States. MAFCA again supports this effort. Stop by and meet our Office Manager Sandra Aguirre and Technical Director Chuck Chistensen. MAFCA Booth – It's a great gathering spot!
