

MAFCA 2015 BOARD OF DIRECTOR CANDIDATES

Doug Clayton
Manteca, California

Model A Fords have been a way of life since I bought my first one and joined MAFCA in 1966. Since then another eleven Model A's have found their way home. As members of Delta A's, our family has enjoyed the many social and tour functions found in MAFCA chapters. It is important that the club continue

to be inclusive of all aspects of Model A'ing – touring, restoring, fashions, gymkhanas, swap meets, and judging. After 37 years as a business owner, I would like to follow in the footsteps of past MAFCA leaders and contribute my love of the hobby along with a practical business sense. I have served as a member of the Judging Standards Committee: 1986-1990, 2003-2015, Chairman 2004-2015, Senior Advisor 1990-1996, Chief Judge: 1990. Organizer, Editor and one of the authors of the *Model A Ford Paint and Finish Guide*. Bill Reeder Literary Award: 1986, Life Member: 2010.

Bill Henderson
Gladstone, Oregon

Retired Department Store Executive, VP of Management Information Systems and then a second career as a Professional Boy Scout Territorial Manager for the National Council of the BSA and a US Army veteran. I purchased my first Model A at age 16 and have owned five different Model A's including an original 1929 Fordor that won a Award of Excellence. A Master Judge and judged

at regional meets and four National meets. Was awarded the Jack Payton Memorial Award at the 2004 National meet for outstanding participation. A co-presenter at the 2004, 2008 National meets tool seminars and I have written a reference book on Model A tools. A member of MAFCA since 1989 and have served on the board and as President of the Beaver Chapter in Portland, Oregon. Model A's are a family affair – my wife, Barbara, is a Master Fashion Judge. I believe I can bring useful skills and experience to the MAFCA board.

Jim Cannon
Houston, Texas

I have been serving as your Technical Director for the past two years. Although it keeps me quite busy, I thoroughly enjoy it. It provides me with plenty of opportunities to get to know our members, both by phone and by email. About 85% of my time as a National Director is spent on *Technical Q&A* matters, and about 15% on MAFCA Board matters, such as growing the membership base, making sure that MAFCA meets the expectations of our members, and looking after your interests (as I would want a Director to look after mine). I would like to remain on the Board, as a volunteer, to continue these efforts. I would appreciate your support. Please vote for me on the ballot, and then "Have a Model A Day!"

Happy Begg
Irmo, South Carolina

I have been very actively involved in the Model A hobby as newsletter editor, webmaster and Vice President of the Palmetto A's. I am also the webmaster for the Old 96 Chapter. I chaired the 2012 National Awards Banquet, in Charleston, South Carolina. For the past two years, I have served the

membership of MAFCA as Vice President. During my time on the board, I have worked closely with chapters as they planned and coordinated the 2014 Convention, the 2014 National Tour, the 2014 Awards Banquet, and the 2015 National Tour. I am working with chapters planning the 2015 and 2016 Awards Banquets, the 2016 Convention, the 2017 Tour, the 2018 Convention, and the 2019 Tour. I bring organizational, fund raising and planning skills along with a good understanding of budget management to the Board. I would be honored to receive your vote and be reelected for another two years to the MAFCA Board.

Alex Janke
Concord, California

A retired Army officer and HR Manager, I have been active in the Model A Ford hobby most of my adult life. I was honored to serve on the MAFCA Board in the past as Publications Director, Treasurer, and twice as President.

As a member of the Diablo A's, I served as president twice, technical coordinator for seven years, and have been active in producing our how to restore videos for many years. I have presented seminars at

chapter, regional, and national events. I have authored articles for *The Restorer* and have been a Chief Judge and served on the Judging Standards Committee.

I live in Concord with Ruth, my wife of 45 years. We own three Model A's and tour with them regularly. We enjoy meeting Model A'ers wherever we go and love these little cars. I would appreciate your consideration in voting for me.
