## MAFCA FASHION JUDGING ENTRY FORM (A)

Entrant Name \_\_\_\_\_ Phone \_\_\_\_\_  
Address \_\_\_\_\_ Email \_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_ Zip code \_\_\_\_\_  
Return entry form to: \_\_\_\_\_

Circle below all that apply:

**Category:** Original      Reproduction      Model A Era Image      Year \_\_\_\_\_  
**Division:** Daytime      Active Sports      Specialty      Formal  
**Class:** Children      Junior      Family      Group      Couple      Men      Women  
(0-12)      (13-18)

The major garment determines the category to be judged in Original and Reproduction. Each individual must fill out a separate entry form. If entering as family, group or couple you must be attired similarly for the category and division. Entrants are allowed only one ensemble to be judged. If in doubt as to division, leave blank, but fully describe the ensemble.

Be prepared for questions and a closer inspection by the judges. Now would be a good time to think about documentation. Be clear as to what year (1928-1931) your outfit was worn. Anything that does not resemble an item pictured in the *MAFCA Fashion Guidelines*, may require you to provide further documentation. Acceptable documentation can be from MAFCA publications and the MAFCA website fashion articles. Also magazines, periodicals, catalogs or other era fashion related material providing it is dated 1928-1931, may be used. Not acceptable are modern publications from current magazines such as *Vogue*, *Victoria*, *Schiffer* and other collector books, as information in these publications is not always specific enough to the year in which the item was manufactured. Copies of your documentation are acceptable but must include the date, name of the periodical, and illustrations. Providing dated documentation is strongly suggested if your item is not represented in the *MAFCA Fashion Guidelines*. Bring copies of your documentation to the judging room. The judges use the *MAFCA Fashion Guidelines* as their primary resource.

The Chief Judge reserves the right to properly place entrant in correct category, division, and class. Original ensembles should be all original or as complete as possible. Model A Era Image ensembles are to represent the styles of the era and should be as complete as possible.

Incorrect category items will result in an appropriate reduction of points; for example, reproduction items worn or carried with an original ensemble or original items worn or carried with a reproduction ensemble.

Questions, comments, or suggestions regarding the judging results are to be directed to the Era Fashion Committee Chairperson.

**I hereby release and hold harmless MAFCA and individual members of this organization from any and all liability occasioned by my participation in the above named event. I agree to abide by the procedures outlined in the *MAFCA Fashion Guidelines*. I understand the decision of the judges is final. Signature is required on all entries. Each entrant must be a MAFCA member.**

## Individual Area Worksheet

**Area A – Major Garment  
Original/Reproduction**

**Registration Number** \_\_\_\_\_

**Overall Appearance:**                      **Possible 0-3 points**                      **Score:** \_\_\_\_\_

Always ask yourself, is this person missing something necessary for the completion of the outfit?  
If so, you would not award full points for Overall Appearance.

### **Major Garment:**

The major garment is the basic body apparel worn. The basic apparel consists of: dress, suit (to include those pieces that match in color and material), trousers and shirt, skirt and blouse, rompers, swimsuit, wedding gown, uniform, shorts and top, etc. When a suit is the major garment; don't judge the shirt, as it is considered Coordinated Apparel. However, knickers and a shirt together would be the major garment; a sweater worn with them would be coordinated apparel.

The Chief Judge reserves the right to properly place entrant in the correct category, division or class. If the major garment cannot be defined as Model A era style, a total score of 0 should be given for Area A. Judging will still continue in Areas B-E.

*Score in whole numbers only. If the outfit is not all Original or all Reproduction (which ever the category dictates) then full points cannot be given. If half of the outfit is what is claimed, then 17 points may be given. If Reproduction; judge for style, material used and workmanship under Condition. When there is a deduction in points, judges must make helpful comments. Tabulators will tally the scores for each area and average judges' scores for Overall Appearance.*
