## 2013 MAFCA NATIONAL TOUR

**April 16** - This year's MAFCA National Tour is only 3 weeks away! It will be held from May 6-10, 2013. The host of this tour is the Dallas Chapter.

The tour will cover the area between Charlottesville, VA and Gatlinburg, TN. The Blue Ridge Parkway is accepted as one of the most beautiful drives in America and is perfect for a Model A.

Commercial traffic is prohibited and the speed limit the entire parkway is a comfortable 45MPH or less.

For more info, [click here](#).

## WHERE'S MY MAFCA MEMBERSHIP NUMBER?

**April 7** - When you fill out a classified ad request on this website, you're asked for your MAFCA membership number. Up until a few years ago, your mailing address and membership number was printed directly on the *Restorer* magazine.

When the magazine got its protective wrapper, the address label got printed on it. Since most of us rip this off and toss it out, you won't see your address OR membership number on the recent issues.

So, when you receive your next *Restorer*, save the wrapper long enough to write your membership number on the back of your Membership Card, which is included in every Jan/Feb *Restorer*. Then, put the card in your wallet and you'll always have your number handy.

## MUSEUM UPDATE

**April 16** - The Model A Ford Foundation Inc (MAFFI) will celebrate the grand opening of the new Model A Ford museum at the Gilmore Automobile Complex in Hickory Corners Michigan on **Saturday, May 18**. That's less than a month away!

We hope you plan a visit for this historic occasion. For additional information, schedule of events, and registration form, [visit the MAFFI website](#).
