

## **Paso Robles Model A Club 2022 Jamboree Seminars and Tours**

**Ron Mosher Seminar** – Ron will be presenting a Seminar that is different from most you'll see at large Model A events. Rare Model A accessories, literature, one-of-a-kind parts and stories and “tall” tales that go along with our great Model A's. It is guaranteed that you will stay awake! Background: Ron has over 60 years of Model A'ing. Everything from National Chief Judge, restorations on fine point, touring and modified class cars; held three land speed records with Model A engines at Bonneville Salt Flats and Model A tours around the world. He is still modifying and restoring vehicles.

**Terry Burtz Seminar** – Terry will be presenting The New “Burtz” Ford Model A Engine Block. He will have a sample for display. Check out his ads in the Model “A” News and The Restorer.

### **Camp Roberts Historical Museum 32 miles**

The Camp Roberts Historical Museum is the largest Army museum in California, and is located on Camp Roberts. The Museum is the repository for the entire history of one of America's largest and most historic Army installations. The Museum has a great many interesting exhibits in both of its exhibit buildings--the Main Museum and the Museum Annex and has many historic vehicles, both tracked and wheeled, on display inside and outside the building. The topics of the exhibits range from the early ranches on the property and the Salinan Indians, through World War II, the Korean War and Vietnam, to the first California National Guard mobilizations to Iraq. Many celebrities have trained at Camp Roberts, including Caspar Weinberger, Red Skelton, Robert Mitchum, and Bob Newhart. Box lunch available.

### **Jack Dewer Auto Museum and XK's Motorsport 80 miles**

Travel to the Jack Dewer Auto Museum, in San Luis Obispo. It includes a collection of high performance Model T, Model A, Model B, and flathead V8 engines and cars. Petroleum memorabilia displays are all in one building. Lunch on your own.

[XKs Motorsport](#) is a restoration shop that specializes for a wide range of Jaguars including the iconic and desirable Jaguar XKs and E-Types. In business for over 45 years, they offer classic Jaguar and British car restoration and expertise (formally known as XKs Unlimited). Dedicated to quality repairs and restorations, XK Motorsport does most aspects of the restoration in-house. They have their own machine shop, engine building room, body and metal shop, fabrication shop and upholstery shop. Lunch on your own.

### **Brassworks & Estrella Warbird Museum/Woodland Automobile Display 16 miles**

Brassworks fabricates and restores radiators for classic cars from the brass era to mid 1970s muscle cars. They make radiators for vintage race cars, early airplanes, rare tractors and military vehicles. Brassworks construct obsolete heater cores and copper alternatives to modern aluminum. They make custom steel and brass fan shrouds, speedster gas tanks and even produce heat exchangers for industrial applications.
