

## Lynda Davis, Assistant Chief Era Fashions Judge 2022 Kerrville

I married into the hobby in 1988. My husband and I spent our honeymoon travelling across the nation in his 1929 Ford Pick-up to Sturbridge, MA, to attend the MAFCA national tour. There I won an Award of Excellence wearing a black Georgette daytime dress, his wedding gift to me. Since then, I've amassed quite a collection of original and reproduction era fashion, accessories, and fashion history books. I've served as a fashion judge locally and nationally and as chief judge in our Texas Model A tours.

In 2000-2003, I served on the back-up crew as my husband, along with his students as navigators, competed in The Great Race in the 1928 Model A Racer he built from scratch—frame-up. In 2003 they won the X-Cup Division, crossing the line on Daytona Beach.

At the moment (because we spouses know it can change at ANY time), we own a 1931 A-400, a 1931 Deluxe Tudor Phaeton, a 1932 Truck, a 1934 V8 Ford Tudor sedan, a 1950 Ford Woody Wagon, a 1964 ½ Ford Mustang, and various other roadsters.

The middle photo was from our honeymoon at the 1988 Sturbridge, MA, national.
