

1931 Standard Coupe – Unrestored – 47000 Miles

Owned by Marlies and Joop Plaggenborg of Ashland, MA. Minuteman Chapter

Joop found this car in 2009 but owner was reluctant to sell as he did not want it to be a Hot Rod. Finally was able to buy it June 2010. Seller had owned it for 53 years, Joop and Marlies are the fourth owners.

The interior is in nice condition but has some stains. Car was originally painted Lombard Blue but was painted black long ago. Joop is in the process removing the black paint to show its original paint and it works great.

Car won Best Original at New England Meet 2010.
